

airto working with its members

airto welcomes into membership any business or organisation operating in the technology transfer and innovation market which has an enthusiasm for business improvement and optimisation through knowledge sharing with like minded organisations.

Benefits of membership

Improve and develop your business through sharing best practice - opportunities are provided through formal knowledge sharing activities and through informal networking.

Influence and improve the climate for your business - opportunities are provided through excellent links with government and with business across all sectors, and through arranged structured contacts with key decision makers therein.

If you are interested in joining airto, please visit our website (www.airto.co.uk), or contact us using the contact details at the bottom of this leaflet.

Membership activities

airto activities are directed by a Board elected by the members. The Board meets regularly in a forum open to all Chief Executives and Managing Directors of member companies in order to consult on ongoing activities and deal with specific issues. This is also a prime networking opportunity.
